Growth in Madison County:

Issues and Opportunities

Are you interested in:

- Open Space
- Community Services
- Property Rights
- Subdivisions
- Maintaining a Rural lifestyle
- Housing Affordability

Doris Fischer, the Madison County Planning Director will provide information about County growth trends and change in our area.

There are **two community forums** scheduled to discuss growth planning and updates to the County Comprehensive Plan.

All interested citizens are encouraged to come and share ideas and opinions on growth management and planning for the future
